Silver Event Sponsorship Proposal

Information
Date: 5 December 2025
Venue: 6B Ngo Thoi Nhiem, District 3, Ho Chi Minh City, Vietnam
Sponsorship Investment: $500 USD

About the Event
AI & Data Center Night is a high-impact evening designed to connect industry leaders in artificial intelligence, data center infrastructure, and digital transformation. Hosted in the heart of Ho Chi Minh City, this exclusive gathering will bring together a curated audience of professionals shaping the future of digital infrastructure in Vietnam and the ASEAN region.

Target Audience
The event is expected to attract 80–100 invited guests, including:
- Data Center Experts
- Data Center Service Providers
- Data Center Policy Makers
- Private & Institutional Investors
- ASEAN and Vietnamese Business Professionals
- AI Scholars & Researchers

Sponsorship Focus
Data center infrastructure industry— such as power systems, cooling solutions, facility design, cabling, fire protection, or security systems—whose offerings align with the event's theme and audience interests.
